EDUCATION

New York University, New York, NY   *Class of 2025*
Bachelor of Arts in Computer Science, Minor in Data Science
Key Coursework: Data Structures; Linear Algebra; Calculus II; Statistics; Discrete Mathematics; Programming Tools for the Data Scientist; Principles of Data Science; Intro Computer Science; Microeconomics; Macroeconomics

PROJECTS

Precedent Parser, *github.com/ChaseGillis/Precedent_Parser*   *Python, BS4, OpenAI*
- Collaborated with a team to create a website that uses a python web scraper to assist lawyers in finding law precedent.
- Used Open-AI to summarize and give the probability of winning the case based off of previous lawyer's win rates.

LEADERSHIP

Tech@NYU, *Tech Treks Member*   *February 2023 – Present*
- Chosen among 12 out of over 225 applicants to be part of the exclusive Tech Treks computer science cohort.
- Enhanced proficiency in programming languages (e.g., Python, Java) and utilized them to build innovative projects.
- Participated in office visits and field trips to industry-leading companies such as Netflix, Epic Games, Reddit, and Check, gaining insights into their operations and networking with professionals.

Google Developer Student Club, *Social Media Manager*   *October 2023 – Present*
- Assisted the establishment of the first-ever Google Developer Student Club at NYU during its inaugural semester.
- Developed the club's online presence and implemented comprehensive marketing strategies by managing and curating content on various social media platforms, including Instagram, TikTok, and Facebook.

Zeta Psi Fraternity, *Vice President of Philanthropy*   *September 2022 - Present*
- Led a chapter of over 80 men that helped students find community on campus and hone their professional skills.
- Hosted charity events raised $31,000 for the Andrew McDonough B+ Childhood Cancer Foundation, making a significant improvement to the previous year's $6,000 raised.

NCAA Wrestling, *2x Team Captain*   *June 2016 – December 2021*
- *Awards*: FHSAA 138lb State Champion, 2x Dual State Champion, 5x All-American; 2x State Placer; 4x District Champion; 5x State Qualifier; Captain of Cross-Country team; 3x Sun Sentinel first team; Scholar Athlete All-American.

EXPERIENCE

NYU Athletics 404 Fitness, *Supervisor*   *September 2022 – Present*
- Selected as the youngest supervisor to fill a post-graduation position to interview, hire, schedule, and coordinate a team of 50 gym staff members demonstrating strong leadership skills.
- Successfully resolved customer inquiries, concerns, and conflicts, maintaining a high level of member satisfaction.
- Implemented a software system that displays and updates member attendance graphically to assist with scheduling.

First Watch Daytime Café, *Server*   *May 2022 – August 2022*
- Optimized serving guests and preparing their brunch meals in a fast-paced environment within a team of 15 individuals, increasing overall client demand for the restaurant and improving communication and customer service skills.
- Bussed and hosted tables by rolling silverware, seating guests, and cleaning tables, promoting an efficient workplace.
